hearing the City would erect statues of former mayors which would cost \$40,000 - \$60,000. She expressed opposition and gave reasons. She indicated funds for the proposal could be used in other ways that would be more beneficial and make West Valley City safer, such as speed bumps, curb and gutter, etc. Ms. Ghundi stated safety of citizens needed to be addressed first.

### B. CITY MANAGER COMMENTS

City Manager, Wayne Pyle, advised that Mr. Nichols had been in contact with City staff and there was not a dispute regarding heavy traffic on 4100 South Street. He also shared results of a recent study that did not call for major change to 4100 South Street. He indicated the City had many subdivisions and/or residential streets that lent themselves to improvements such as speed bumps; but 4100 South Street was not one of those and he discussed reasons. He indicated police officers would continue to patrol 4100 South Street and take appropriate enforcement action.

The City Manager discussed statues and indicated he respected and appreciated Ms. Jones' comments. He advised the Council had requested staff to look at beautification improvements and gave some examples. He stated the Historical Society was reviewing the matter and looking at many options, one of which was a statue of the City's first mayor, Hank Price, and others. He discussed costs and stated every need of the City could not be covered and gave costs of other services, projects and programs in comparison to the statutory proposal. He indicated the matter was worth examination.

### C. CITY COUNCIL COMMENTS

Councilmember Rushton summarized the two issues brought up by citizens and the pyramid of needs such as safety, citizen comfort, and beautification that were considered by the Council. He indicated public art would be meaningful and interesting and the proposal would not focus on memorializing one individual.

Mayor Bigelow discussed his preferences regarding conceptually beautifying the City. He also stated heavy traffic concerned many citizens and there continued to be a need to deal with growth. He indicated the issues raised were valid concerns but there were not always easy answers and sometimes differences of opinions.

### **RETAIL SUBDIVISION LOT 2 AMENDED LOCATED AT APPROXIMATELY 3074 SOUTH DECKER LAKE DRIVE**

Mayor Bigelow informed a public hearing had been advertised in order for the City Council to hear and consider public comments regarding Application No. S-6-2015, filed by Mark Green and Paul Jensen, requesting to amend Lots 2A-2D of the E-Center Retail Subdivision Lot 2 Amended, located at approximately 3074 South Decker Lake Drive.

Mayor Bigelow presented proposed Ordinance No. 15-19 related to the application to be considered by the City Council after the public hearing, as follows:

Proposed Ordinance No. 15-19 would approve the amendment of Lots 2A-2D of the E-Center Retail Subdivision Lots 2 Amended located in West Valley City, Utah.

The E-Center Retail Subdivision Lot 2 Amended had been recorded with the Salt Lake County Recorder's Office in January of 2009. The subdivision plat consisted of four lots on five acres. The applicant had requested to amend Lots 2A-2D of the subdivision by consolidating lots 2C and 2D into one lot. As a result of the consolidation, lots 2A and 2B would be reconfigured.

The amended plat would create one large lot for a future hotel. The remaining lots within the subdivision would be used to accommodate uses that would accentuate the hotels in the area, transit oriented development, and entertainment uses in this part of the City.

The subdivision was located in the commercial overlay zone. All uses in this zone were considered conditional and therefore would be reviewed by the Planning Commission.

Access to the subdivision would be gained from both Decker Lake Drive and 3100 South. Access in and through the various lots would be achieved by interior driveways. Recorded access easements already existed to facilitate new development. During the review of the original plat, it had been determined access through Parcel A (immediately north of the subdivision) was acceptable, but that parking would be limited for the Maverik Center overflow.

Mayor Bigelow opened the public hearing.

Dale Bennett, Benchman Engineering, representing the applicants, addressed the City Council. Mr. Bennett stated he would be happy to answer questions, if any.

There being no one else to speak either in favor or in opposition, Mayor Bigelow

After discussion, Councilmember Huynh moved to approve Ordinance No. 15-19, an Ordinance Approving the Amendment of Lots 2A-2D of the E-Center Retail Subdivision Lot 2 Amended Located at Approximately 3074 South Decker Lake Drive in West Valley City, Utah. Councilmember Lang seconded the motion.

### **PUBLIC HEARING, ACCEPT PUBLIC INPUT REGARDING APPLICATION NO. S-4-2015, FILED BY ADAM MAHER, REQUESTING TO AMEND LOT 1 OF THE CABCO 5600 WEST SUBDIVISION LOCATED AT APPROXIMATELY 2514 SOUTH 5600 WEST**

Mayor Bigelow informed a public hearing had been advertised in order for the City Council to hear and consider public comments regarding Application No. S-4-2015, filed by Adam Maher, requesting to amend Lot 1 of the Cabco 5600 West Subdivision located at approximately 2514 South 5600 West.

Mayor Bigelow presented proposed Ordinance No. 15-20 related to the application to be considered by the City Council after the public hearing, as follows:

The subject subdivision, located immediately to the north of the Riter Canal and west of 5600 West, had been recorded with the Salt Lake County Recorder's

Office in August of 2014. The plat amendment had been requested in order to divide Lot 1 into two lots that would allow the developer an opportunity to convert buildings currently under construction to function as a condominium development. Once the plat amendment was approved, a condominium plat could be submitted.

Lot 1A would consist of 2.9 acres and Lot 1B would consist of 1.5 acres. Dedication of 5600 West and Anna Caroline Drive had been done as part of the original subdivision application. All conditions of approval related to the original plat were still in effect with this application.

Commercial condominiums were not uncommon and there were a variety of benefits associated with a commercial condominium project. For the property owner a benefit would be the ability to sell units as opposed to leasing them. Benefits for business owners would be the ability to predict occupancy costs without having to renegotiate leases every few years. There was also a sense of well-being in owning a business property that helped keep the entire project viable because of the interest each owner had in wanting the overall project to succeed. For these reasons, the applicant desired to amend the subdivision plat.

Mayor Bigelow opened the public hearing. There being no one to speak in favor or in opposition, Mayor Bigelow closed the public hearing.
